Rest in peace Shane. You were one of the first people I met shortly after moving to Beech Island. You and I became friends only 4 short years ago but you always told me you had my back. I know you still do, even now. You will be missed daily by everyone who's life you were part of and got the pleasure of meeting you. I'm sorry you had to go so soon, but, God needed you home. So fly high with the angels and keep on shining brighter than all the other stars. Keep your wings wrapped around us all down here and we will all see you soon. Get us a good spot to fish up there. Love you and will miss you so very much.

I know i'm going to miss him and i'm so very that he has been taken from me as a friend but even more from his family. Rest in peace my friend you will forever be in my heart and mind!!!
