There are no words to describe the sorrow of broken hearts so many people have for this Special Man. Thank you Missy for sharing him with us all. He is dearly loved by many and will be missed by all that loved him. His bear hug and kiss on the forehead were his trademark followed by that Big Grin. We will love him always.

My best memory of Mike was walking home from a "sock hop" at the Grove. We were all fooling around and suddenly Mike scoops me up in his arms and throws me in Factory Pond! I was ecstatic that THE Mike Hickey had noticed me! He was always the gentleman and after he helped me out we laughed all the way up Montgomery St.

Mike was such a character and larger than life . Even 35 years later I remember his smile, his mischief and his kind heart. And how he gave Mrs Cande a run for her money--- God bless and keep him . My sincere condolences to his wife and children.

From riding the snowmobile in the back fields, to sock hops at the town grove, to our class trip to NYC. He had an infectious smile and was always ready to party. ~ Pam Peters, Franklin, NY*
