“ My amazing brother, I will miss our conversation, your hugs, smile and you holding my hand telling me not to leave everytime I would visit. When I lost daddy you became my father figure, there was never a conversation we had that I wanted to hang up the phone because you always had a way to lift up my spirits. I love you!

“ Too a loving family . Me and Mike had some good talks he told me things sometimes that were maybe hard for me too hear but they were necessary I remember driving up to Augusta with him to play poker he told me many stories on the drive up there. He was so loving towards his wife and all his children they are a very close family I knew that from the beginning . In the end I feel like I let him down I hope you forgive me from heaven ❤️ You will always have a place in my heart Mike .
