“ *My memories are what I have left,
The time has come when time is no more
and all that's left was once before.
The memories so dear and true,
those memories of me and you.
Although we fell and stumbled at times,
all those hills were necessary climbs.
All the times when your heart shined through,
Are the greatest memories I have of you.
I will always remember you, brother of mine in my heart I will keep
you, so I will be fine.
I will go forward with my head up high,
it might be hard, I cannot lie.
But in my heart you will be,
moving forward, you with me.
Wyatt would have loved his uncle Mike just like we love our dear
uncle Mike Kilgore... We love and miss you and I hope your looking
down seeing all hugs and kisses we still have for you xoxo*

*It just breaks my heart to even be writing this. I didn't know Mike well
but there was something about him that just drew you to him. He was
always so polite and friendly when he would come in our supply house.
I know he was trying very hard to better himself in his career for his
fiance and daughters. I will miss seeing his smiling face and his friendly
attitude. It warms my heart to know that he was a christian and I will
see him again one day. RIP Mike, you will be missed.*

I just saw this terrible news today. I am so sad and shocked to read of Mike's passing. I was one of his English teachers at North Augusta High School. I had no idea that Mike had gone home to The Lord; I wish that I could have been present at his service, but I will keep Mike and his family in my prayers. I am so sorry. GOD bless you.
