“ *I remember very fondly more than 30 years ago when my brother, Andy, was pastor of FBCBI, and I attended some services and events there, what a happy, good humored and outgoing fellow Mike was. He had a wonderful spirit, an infectious laugh, and very talented musically into the bargain. Mike was a truly HAPPY Christian, a rare being. The world's a little darker and sadder now. Yet there is no doubt that he is rejoicing with his Saviour and King.*

“ Mike, Thanks for sharing your knowledge & experience with me in the Wet Lab! You started training me in December 2020 & when March 31, 2021 came you said "Yama, its's all yours...call me if you need me & I will do my best to help you over the phone." Since, you retired, your office became my office & I been referred too as "Lil Mike." May you rest in peace & I will never forget our talks! My condolences to the Family!

Mike, I am so SORRY that you and I lost touch with each other AFTER I graduated from Carson-Newman. You will ALWAYS be in my heart.

I have known Mike since he came to Beech Island First Baptist Church 40 years ago. He sang at both of my weddings and my first husbands funeral. He has also sang at countless other family events. He was always happy to sing whenever needed. I know that Mike knew the Lord and he will now be singing in heaven. I will be praying for Renee, Ben and Kristin.

Love to you all!

“ In 2007, I was hired at Kimberly Clark. Mike worked in the lab next to my department. He always made sure that everyone was aware that we were First Cousins. For 15 years until Mike retired in February, we would spend time discussing a variety of topics. Mike was never at a loss of words. He loved his God and he loved his family. He was so looking forward to our 50th high school reunion in 2022. He loved his class mates as was evident when he posted on Jane Darby Day 's obituary a day before he passed. May he be sheltered in the arms of god until we meet again. May god be with his family during this time of bereavement.

“ I've been lucky enough to spend my life with not one but two great dads! It's still hard to believe that you're gone but I can just picture you now doing cartwheels down the streets of gold with that big ol smile on your face! You'll never know the impact you've had on my life and everything about you will continue to live on through me. While mom and I mourn our loss, we celebrate your life and all the joy you brought us and so many countless others. I'm so glad that you and Kristen got to know each other this past year! It won't be the same in the years to come but we'll always have our memories of the beach, little league baseball and so so many more! We will always miss you and look forward to hearing you sing again some some day in that heavenly choir!

“ To the family of Michael Scott with deepest sympathy.
Ms. Renee/Ben. Mike was one of the finest people I've ever had the opportunity to meet. I know God placed him in my life to be a help in my Christian walk. Quick with a smile, a warm greeting, and a word of encouragement. He always talked about you & Ben with a smile on his face. He truly let his light shine and gave the glory to God. He will be truly missed. Praying God's strength and comfort with and for you during your time of bereavement. He may be absent from the body, but he is now present with the Lord.
God bless you all, Christopher A. Cotton (Brother in Christ, friend, & KC coworker)
