“ One of our fondest memories of Hunter was a weekend spent on St. Simon's Island. My husband, Rob, was not accustomed to fishing at all when Hunter took him to a fishing dock off of the Marshes of Glenn. At the end of their hour and a half fishing trip Rob began reeling in quite a big fish and turned to Hunter to tell him he had caught a Sting Ray. Hunter looked at what he was reeling in and said, "That's not a Sting Ray! You've caught a flounder". Hunter cleaned it and cooked it for us that evening. That was the best flounder we have ever tasted!

Here's to lots of good fishing in Heaven, Hunter!

We love you,

Rob and Melanie Louks
