My fridge will always have a Coke in it and there's always going to be a frozen cheese pizza in the freezer! I never did like Natural Light but will keep 3 always. One for you one for me and one for Ray. Thank you for sharing this crazy thing called life with me. I love you ❤️! Today is a new beginning fly high my friend... “ Michelle was fun to be around in highschool. She could always make me laugh. We shared a love for the same music and I enjoyed spending time with her. I spoke to her several times a few years ago. She still had that great sense of humor and loved to talk about her family. She had a beautiful soul. May she rest in peace. ❤️ My condolences to her family.
