“ I was privileged to have known Mickey and her husband, Lou, as well as Kit while I was outdoor editor of *The Augusta Chronicle* (1964-2000). The male Fricks were involved in a sport called long casting and Mickey was their No. 1 supporter.

*I recall Lou and Kit and I going down to the New Savannah Bluff Lock and Dam and watching them cast a weighted line nearly across to the S.C. side of the river, using a special casting technique. Wow!*

*Just wanted to leave my sincere condolences to Kit upon the loss of his mother.*
