“ Mike was the truest Rotarian I know. He lived a life of service above self. Ivonne, I am so sorry for your loss. The world has lost a great man.

I remember lunch with you and Mike and us other Rotarians having lunch at El Tenedor del Cerro in Antigua, Guatemala, 2018. Mike was the jefe of us all as we listened to his fascinating stories of adventures and acts of charity around the world. Mike led my first trip to Guatemala in 2017 and instilled in me a commitment to the people of that country. He did this over and over again with so many people in so many countries. His legacy is the great works he did for Rotary and for his independent philanthropy. It also lies in the countless number of people he inspired to follow in his footsteps of finding a need and answering the call to help.

“ I met Mike in Rio de Janeiro by the first time back in 1978, since that first meeting we worked together for almost three decades. He was an inspiration and a teacher. I had the privilege to know him and his family and could see his unique combination of leadership and charisma. He was an example of professional, friend, and family man. I express my condolences to the family for this loss.

“ Dear Pereyo family. Sending you our deepest condolences from France. I was saddened to here of Mike’s passing. A huge figure in the Refractory community that will be missed. He was always there to offer support and guidance and i remember this so clearly from my early days in the refractories world. I didn’t matter who you were Mike was prepared to engage and spend time no matter who you were. His and Yvonne’s organisation of Alafar meetings is legendary and a finer host we cannot imagine, so welcoming and playing the role of ‘father’ to the worldwide refractory community. We will always remember His gentle nature, his amazing inclusive touch coupled with a great sense of humour and huge professional expertise. He will be missed by those of us in the industry who knew him. Our best regards to you all and we are holding you in our prayers. Chris and Claudia Parr

“ With a heavy heart, I send my condolences to the entire family. Miguel was so very proud of the family and spoke often of them. I have now lost one of my greatest inspirations and mentor for all the Rotary international work we did together. His entire life story was one of giving from a very early age and I hope the children pass his story along. I was always amazed by all the things he did to help others. I hope to continue walking in his footsteps and inspiring others like he inspired me. I truly loved Miguel and will miss him greatly. I am so happy for you, Yvonne, that you had so many wonderful (often medically challenging) years together. You have such a strong spirit, like Miguel, and will carry his legacy forward.

My heart was split in two.
One side was filled with memories
The other side died with you.
I will lay awake at night
When the world is fast asleep
And take a walk down memory lane
With tears upon my cheek
Remembering you is easy
I do it every day
But missing you is a heartache
That will never go away
I hold you tightly within my heart
And there you will remain forever!*

You are my first love and my forever hero dad. I can't imagine life without you. I miss you already!! 🥺💔
