“ I met Mike when I moved to California at the age of 9 I did not know anyone and Mike and Rosemary took me to get my first In and Out burger and helped me collect all the glasses they were giving out of cartoon characters. Mike took me to Magic Mountain, Knotts Berry Farm, and miniature golfing. It meant a lot to me because I did not know anyone and he helped me fit in.

Mike was at all the milestones in my life. Mike took family pictures at my high school graduation, my college graduation, and Mike was very instrumental in getting my husband and I together. He was a groomsman in my very purple wedding.

Mike was there for the bad times too. Mike met me at the hospital the night my dad passed and I think he must of driven with his foot to the floor because he was at the hospital before the ambulance even arrived. He was there when my mom was sick and I guess you can say Mike was more of a brother to me.

Mike had a heart to serve and could always be counted on to help in any situation. He served as an usher, and board member at the church for 33 years. He volunteered to drive the church van after working a long day, and if there was ever any work that needed to be done, you would see him there, without having to be asked.

Mike was Santa Claus at the church and the only Santa Claus that many kids ever saw.

Mike was more than a helper in the church. He was truly a part of our family. I can't count the number of times that he sat at our table for holidays and other times. He could often be seen playing football or catch in our front yard.

I truly believe that every life that Mike touched was made richer by having that contact. I know that mine was! I have always counted Mike as a spiritual rock, a prayer warrior, a brother a great co-

*worker, and most of all as a true friend. We will all miss having him in our lives.*

*Mike was a very special man who had a heart of gold. He truly had a servants heart. He was always willing to serve no matter what was asked of him, even driving the church van with all of us rowdy kids! It was a job that not many people could handle long but Mike was always so kind and patient with us. Also, all the time's he and Rosemary took us on field Trips and gave us opportunity's that we otherwise would have never had. I know he will have many rewards in heaven!*
