“ I met Mr.Mike only one time when he came to my daughter Lydia's house to check on her son Jason. J had just had a near fatal asthma attack that took months for recovery. Jason and Damian had often talked about this neat guy who let them fish in his pond. In the few minutes Mr. Mike visited asking what Jason and his family needed and assuring me he was standing by to help, I knew why this kind man was so special to all of them.

“ *Michele, Melissa, and Michael, I am so sorry for your loss. Mike was loved by many and will be sorely missed, Although he used to love intimidating me as a youth, later in life I really enjoyed talking with him at the Waffle House and watch him flirting with all the women that came in as he drank that big glass of milk. Thanks to his generosity I have many fond memories of fishing at the pond with my children as well as in my younger days.*

“ To all: In lieu of flowers, please consider making a donation to the CSRA Council on Aging, 3626 Walton Way Ext #300, Augusta, GA 30909.

You all know my father was a very giving man and loved to be there for others and help them in any way he could. His wishes would be to continue that tradition in his honor.

Thank you to all of you - I made many new friends through this journey, and have learned so much how he selflessly helped others and never told a soul!

Much love to all of you!
