“ *So sorry to hear of Mrs Beams passing. We first met her as one of the ladies who sat in the bench in front of us at church. She was always so sweet and graceful. I enjoyed my visits with her as she talked about her girls and their families. She was so proud of you all. May God be with you during this sad time, providing his comfort and strength.*

*In deepest sympathy,

“ So very sorry to see that Millie has passed. I truly enjoyed all the years I worked with her at Mid South.  
If there is anything I know it is that Millie truly loved her family. She mad me laugh and always gave me great advice. I remember she always made her girls  
Flannel night gowns at Christmas. I also remember  
That her girls always gave her a gift not only at Mothers Day but Fathers Day as well. She always treasured that. I will be praying for comfort for the family.
