“ *I remember how she always included me during the CMONA volunteer luncheons and parties. We have a precious picture of Barry Whitney talking to Santa and I was sitting on her lap. She always was bright and cheerful, laughing and smiling, making clients and staff alike welcome and knowing God loved them. She was an awesome personification of what CMONA does and offers to the needy citizens of north augusta. She will be missed. Bev whitney*

“ *Vernon, we are sorry to hear about Mildred's passing. She was a strong supporter of CMONA for many years. Even though we disagreed at times on politics, we always had great discussions on many other topics. She had a very dry sense of humor and I valued her friendship. Betsy & Bob Davis, Pittsburgh PA*

“ *Mildred and I became friends through our shared DAR membership. She also was a first cousin to our beloved neighbors, the Julian Hammond family. We spoke last on the phone about a month ago. She was a very special lady. I count myself lucky to have known her.*

Mildred was so devoted to the Ministry and it's outreach to those in need. Over the years I enjoyed working with her on projects for the Ministry. Most recently, about 5 years ago, she invited me to join the Board of Directors and become involved in our building campaign. I'm thankful to have known this special lady!
