“ Mom, I am in shock, I cannot believe you are gone. I just talked to you on Sunday (Mothers Day) and you sounded so much better. We were planning on coming down to see you... and you said not right now... give me a little time to gain some strength and then come down.

My heart is broken... I love you so much! However, I know you are at peace now and happy to be with dad.

I hope to see you on the other side someday!

As always..... with much love!

Your son, Milos (Mickey) Predojev III

“ We are so sad to know our dearest Aunt Millie has passed on, that we'll not be able to hear her laughter or see her bright smile on this earth again. Our consolation is that she was prepared to meet her Lord as her church and Bible studies brought her so much happiness. As long as I can remember, Aunt Millie treated me with great love and brought joy when I spent time with her and Uncle Mike. When we went to California to visit with her and Uncle Mike, they did everything possible to make it an enjoyable and memorable time. We know she will be missed by her nieces and nephews and all her friends, especially her church friends and family. She will forever remain in our hearts and we will always remember her love.
