“ Don, Sandy, & Alan,
Your Mother was certainly a gift from God. She was such a wonderful lady and I will always remember our time as kids, growing up and having the chance to be around her. My thoughts and prayers are with you all as you begin your lives without her. It's a journey unlike any other. Thinking of you all.

“ Mrs. Bishop was my favorite teacher of all time. She encouraged love of reading while I was her student. She was also a family friend to my grandparents and was a part of our family dinners when they passed. I have always thought every person should have had her as a teacher. She loved reading to our class. She will be missed. She was very much loved by my entire family.

“ Don, Alan, and family I am truly sorry for your loss of Miss Minnie. She was one of my favorite people and she was so good when Charlie was so sick and in her class and I will never forget how helpful she was to us. I think so many people who were taught by many were just blessed to have her as their teacher. As a person she was a super lady and one that everyone loved. Miss Ellis thought the world of Miss Minnie. My prayer is that I pray God will give you all a peace and that he will give you a comfort that you need at this time and the strength that you need to go through The days ahead. If there's anything I can do just please tell me and I will try to help. We will be praying for you and thinking about you during your bereavement.
