“ To the family- I am so sorry for your loss. It is so hard to let them go but we know they are not suffering anymore. Aunt Lee is with Uncle Carrol, Mom, Dad and other loved ones now watching over us. Like Pam said my favorite memories were spending a week in the the summer at your house and Tonya spending a week with us. Your family is in my thoughts and prayers. Love you all!

“ To the family - I'm so sorry for your loss. I have so many good memories of Aunt Lee. I spent many of my childhood summers in her home and always looked forward to visits in our home from her. That's the way it was back then. Family came first. As we all got older everyone went their own ways but Aunt Lee and Mom always kept in touch. Now they are together forever talking & catching up. I like to think they're watching over us & keeping an eye on things. Love to you all.
