“ *We mourn not to be sad, but to share remembrances of joy that otherwise would not have occurred had Miriam not been in our lives. To her family, we know Miriam as the daughter of a loving Heavenly Father, into whose care she ascends. We pray that you find comfort in this eternal truth: that we are spiritual creations having an earthly experience, to return to live again reunited in full physical and spiritual joy. May the Lord bless you now, and always.*

Miriam Russel was the best Visiting Teacher. As Relief Society President in the North Augusta Ward she always went out of her way to help those in need. She drove miles and miles to help and would give her last bite of food to help those in need. She is a Saint and I learned so much from her. Bradd and I love you so much.

Miriam Russell was a true living Saint to me and to my family. She assisted me with my children's care when my father was at the end of his life. In addition, she cared for my mother for months when I left the North Augusta area due to a change in my husband's employment. My mother was living on her own at the age of 97, but the reality was that Miriam made this possible. I flew back to SC from Utah several times to see to Mom's care, and after about 5 months, was able to convince my mother to come to Utah with me. Miriam did the heavy lifting in my absence. I know that she prayed for me quite a bit after Mom left her care. Miriam was a very spiritual person who taught my mother much and by example, taught me much. She was a devout woman of faith. I loved her and still do.
