

## Mirian Briggs Davignon

November 19, 1949 - January 9, 2026

North Augusta, SC – Visitation for Mirian Briggs Davignon, 76, who entered into rest January 9, 2026, will be held at the funeral home Friday evening from 5 until 7.

Mirian, affectionately known as “Lolly” by her beloved granddaughter, never met a stranger and had the ability to make friends with everyone she encountered. She wholeheartedly loved her husband, son, daughter-in-law, granddaughter, and family and friends; cherishing every moment spent together. Her warmth, generosity, curiosity, and zest for life touched everyone who knew her.

Born November 19, 1949, in Augusta, GA to the late William and Lina Briggs, Mirian worked as a schoolteacher for over 15 years with Aiken County Public Schools. She loved the beach and would walk miles in the sand, always finding joy in the sun and waves. Her outgoing spirit meant she was always ready for an adventure or new experience with her friends, whether deliberately planned or completely accidental was all part of the fun.

Whether baking cookies and pound cake, making crafts out of seashells, or diving into home improvement projects, Mirian had a knack for turning her ideas into reality. She saw the world through a creative lens that many others don't, always finding beauty and possibility in every day. She delighted in

bringing everyone together, especially around Christmas, creating joyful memories and traditions that will be cherished forever.

Survivors include her husband of 50 years, Joseph M. Davignon, III; son, Joseph “Josh” M. Davignon, IV (Suzanne); and granddaughter, Lyna Kathryn.

In lieu of flowers, the family requests that memorial contributions supporting Pancreatic Cancer research be made to MUSC Hollings Cancer Center, online at <https://hollingscancercenter.musc.edu/about/giving>.

“ *Joe and family, so sadden to learn of Mirian's entry to the Church Triumphant. I was blessed to have known her when she served as wedding coordinator at First Christian Church and I as organist for several of the events. “*Mirian was my second cousin but because my dad, Lowell, was an only child and Mirian was an only child, they were more like brother and sister. Her role in my life was as my aunt. I was blessed to grow up in her presence, love, and laughter woven into my life. She and my dad, Lowell, shared a special bond, full of humor, and storytelling. Together, they filled my grandmother's and my aunt's homes with laughter and light, turning moments into cherished memories.*

*Mirian had a beautiful smile and a quick wit that could brighten any room. She brought joy, warmth, and connection to our family, and her spirit touched everyone who had the privilege of knowing her. I am deeply grateful for the role she played in my life and for the love she gave so freely.*

“ *Oh the stories. The many, many lively and enchanting yarns Mirian could spin. Never tired of them. She was a wonderful person and a wonderful friend. Her Bedford Greenhouse family will never be the same without her charm and light. Rest in peace, cherished friend.*
