“ Sheila,

*I was sorry to read in a back issue of the North Augusta Star that your mother had passed away. When I saw the name Scruggs I knew it must have been a member of your family. I remember you from Jackson High. I didn't graduate with the class; I got married and your mother gave me a china tea cup and saucer with violets on it for a wedding gift; one of the few and certainly the best gift that I got then. Over the years I kept it as I moved about and somewhere along the line of life it was lost. But I still remember how beautiful it was and how grateful I was for such a nice gift. I still look at little china tea cups wistfully. The smallest things we do in life always seem to touch someone.*

*Take care dear.*

“ Our deepest sympathies in the loss of Mrs. Scruggs. She was always friendly. I remember she would always take time to speak to Mom when she walked by the yard. Mom appreciated that kindness very much. Mrs. Scruggs and her husband would take their daily walk around the "circle". I miss them.  
Please take comfort in knowing that they are together again, this time for all eternity.

“ Lola,  
  
Our thoughts in prayers are with you. You were such a kind, loving daughter to Grandma. I hope it brings you peace to know that she knew how very much you loved her. I think most of all, I am going to miss sitting with Grandma at the lake telling stories and laughing at Stacy's babies. It makes me smile to think that she is finally hand in hand with your daddy again. Please know we are thinking of you, Shelia, Sam, Stacy and Clayton. We love you so very much.
