“ So glad I was privileged to be Myrtle sister in law to such a beautiful person. She lead a beautiful life and loved and was loved in return. She always shared her love for God, family and friends. We will miss her but she is having a heavenly party with her loved ones in heaven. I thank her children and grandchildren for sharing her life with us and the love they showed their mom and grandmon. Till we meet again.

“ Ms Bedenbaugh was my second mother. She treated me as one of her own growing up.oh but how we all loved her. So many memories of going to the beach in the summer to riding in the back window area of the Big Ugly Desoto car HA! Hard to believe we didn't fall thru to the trunk...and this is just the beginning of remembering all the things we done. Loved her dearly. She will be missed .
