“Condolences to Karl, Kevin and the entire family. I had the privilege of attending high school with Karl and Kevin. From cutting grass in their lawn care business to the rescue squad, even to running into the back of their car on an ice slick dirt road with my father's truck (totaling it) on Gun Range Road on a school day when a light snow allowed early release. I was in and out of the Lown home and K&K were great friends to have. I even went to Augusta to shop a few times with Mrs. Lown who was a superior lady that brought out your best. A great family to know and to be immersed in their hospitality was truly a joy. The home on Kalmia Hill was spectacular. God Bless You all and thanks Mrs. Lown for the kindness shown me. A great life lived.

“Karl, Kevin and family members, I loved your mother, I met one of you twins one time but don't remember which one. I made your momma laugh when she came to our office. She was a grand lady and I'm sure she will be missed. May at the Lord bring each of you peace, comfort and strength in the days ahead. I know I will see you again in heaven Ms. Nancy.
