“ *Oh, Miss Ann!  
My favorite memory is when Miss Ann shared her testimony with the young girls one Friday night at a sleepover in our church gym. I asked her if she would give us fifteen minutes. The girls had so many questions for her and were so attentive. She ended up giving us an entire hour and then the fifteen minutes. We had provided a comfortable seating area where she looked quite majestic. Her daughter Rhonda sat beside her and smiled sweetly as her mother shared precious memories. I'll hold that night close to my heart forever. I loved her dearly.*
