“ I had the privilege of working with Nancy in Allergy-Immunology for several years at MCG. I remember well her children, Adam and Amber, who would come with her to our parties at our home. I have missed her and am sorry that I lost touch. I had no idea that she attended the same church as our neighbors, the Ellises. Our hearts go out to the family who will miss her so much. Betty Wray

“ Nancy and I met when I had my children at Montessori school. Her son Adam and my oldest son Will were in the same class , both were about 3. We discovered that we both lived in Belvedere Ridge, very close to each other. I was at Nancy and her first husband Paul's wedding. We became very close friends very quickly. I have wonderful memories of just lying on the bed with her talking. Nancy supported me through some really bad times in my life. The last time I spoke with her to say goodbye, she told me she missed me. I miss you too , Nancy, so much!!!

“ I lived next door to Nancy for four or five years when she was still at home. She became my best friend. We played cards and games almost everyday. She was there for me as I was for her. I left the USA for 10 years and never returned to N.A and lost track of so many friends. Nancy was one friend I wish I would have stayed in touch with. The world and her family has lost a sweet loving person but heaven has gained one. Nancy was a true friend and a great person. I have not talked to Nancy in about 25 years but I'm glad we did meet on Facebook after so long. God takes us when its time but we live on and she will always be looking over her family and those she loved.

“ Nancy was my friend and coworker for a very long time. My most fond memory of her giving spirit was the little care packages of homemade rolls made by her mother that I used to find on my desk periodically. She was always quietly giving, was a good listener and you NEVER heard her say a bad thing about anyone. Nancy we have missed seeing your smile everyday over the past year and we will continue to miss but remember always your loving spirit. You are our angel.

“ I have so many wonderful memories of my dear friend Nancy. The day we decided to get roller blades and went along the river. The day we spent few hours trying on wigs at the wig store for Halloween. Working along side her, always happy and smiling. Shopping together. The day she let me record her for her song I wrote for her. Her wedding day, So many memories. She was a True friend to me and my first friend when I moved here. I will never forget her and miss her forever.
