“ Doris, I am so sorry. I didn't know about Nell. Please accept my apology for not visiting and remember you at this time in your life. I can remember Nell from when I was a little girl and daddy would take us to Walterboro and we always had to visit with Nell. She was a strong lady and it showed in her life. I will try to give you a call soon and maybe we can do lunch. Please tell the family that I am truly sorry that I didn't hear about it and if there is anything I can do, let me know. “ *Nana Nell was a beautiful lady in so many ways. She loved her family so very much, and she was very fortunate that she had so many people to love and care for her. I pray that your memories of the good times you shared with her will sustain you through this difficult time.*

I see mama in Aunt Nell. So hard to believe we have lost two great ladies in two months. My prayers are with you.

Martha, Nell was my dad's cousin and she was a wonderful lady. It is strange how we know same people and really didn't know each other until recently.
