“ Claire, John, Bill and Cindy
I just found out about Nelle Winns passing last year. We did pretty good about keeping in touch but as life gets in the way we hadn't communicated for several years. She was one of my favorite cousins in Augusta and was always beautiful inside and out. Thinking of you all and hope God has given you peace.

I grew up with John and my younger brother Dave grew up with Bill and I have been FB friends with Cindy for a while now. How shocked was I when I later found Nelle on FB and got to interact with her on social media the past few years. I live in Texas now so had no idea of her present health, but she brought back so many memories of our wonderful childhood with moms like mine, Ida Jane Moore, and Lucille Lindsay. She still had nothing but positive, loving, and encouraging comments for all of us and still sharp as a tack...classy lady 😊
