“ *I just found out this week about Orville's passing last year. Orville hired me to work at Southern Railway in 1971 and was instrumental in getting me promoted. I worked for him in the Augusta Freight office from 1971 to 1973, and I eventually became the Director of one of Norfolk Southern's Departments in Atlanta. I am saddened to hear about his passing and even though I am late, my condolences are being sent to all family members. In addition to knowing Orville, I also knew, and worked closely with Dennis and he was a personal friend at NS. I was also deeply saddened to hear about his passing several years ago. I am deeply grateful for everything Orville did to enhance my career with the railroad. I know one day I will see and visit with him again in his heavenly body. Paul Davis, Grayson, Georgia (Retired from Norfolk Southern in 2007)*

“ *Our loss is heaven's gain. Orville was one of the most southern gentlemen I have ever know, as well as being an example for us all in his walk with the Lord. His warm smile and generous heart will truly be missed by all. May the peace of God be with you.*
