“ We were just talking about Oscar the other day, I mention Him every few years in our memory talking times. I served my time in the Army and got out in late 1976... wasn't sure what I was going to do as far as work for my family which had grown ha ha. My neighbor was working at United Fabricators and took me there. I got a job after being out of the Military for only two weeks, very good! Oscar setup V.A. support for training. I was taught a trade on the job!!! Awesome!!! Became proficient at certain trades. After Oscar created/built Batco Fabricators, I ended up there, who would have guessed. God Bless the Family of OC in all of this. We will meet again. Thinking of you Ann, best secretary OC could have ever had!!! Love, Jimmy Groomes and Family.

“ My Uncle Oscar was a man full of love and humor. He loved his family and enjoyed playing jokes on his nieces and nephews. I have many fond memories of times at the lake. Forever in my heart, he will be missed.

“ *Our lives are like a vapor, and that means we may not have tomorrow; living always with that knowledge keeps us focused on the things that matter. Oscar focused on the things that matter: Truth, integrity, compassion and family. I respected and admired Oscar and appreciated his sense of humor. My thoughts and prayers are with the family, and in his memory, I offer up a once-only holler out to the Fighting Tigers. Peace in heaven.*

*With love,
