“ *Stephen, my thoughts and prayers are with you and your family. This is a very difficult time and I know there is no easy way to get through the loss of your mother. One thing I do know is that you never really ever get over losing someone you love. Eventually, you just learn how to accept it by keeping to all of the special memories you shared together alive in your heart. Tommy Arthur*

“ *Stephen, I am so sorry for the loss of your mother. It is difficult to lose a loved one, especially a mother. Hold all the precious memories of her close to your heart. Throw all your anxieties on the God of all comfort and revel in the love of family and friends to get you through this time of grief.*

“ *I am saddened by the news of the passing of such a sweet lady as Ms. Cheshire. I will miss visiting with her at Westwood. I know my Mom misses her too. She was a soft spoken lady and never complained; a real trooper.*

Thank you for your kind words! It is difficult to leave someone you love in a nursing facility. It helps though, to know that their lives are being enriched by someone like you and your Mom!
