“ I would just like to say how sorry I am to hear about Pam passing. I've known her and Bryan since we were kids in the Hillbrook neighborhood. She was always the sweetest person and such an inspiration to all. It was great to catch up with her later in life and find out the sparkle in her eye was still shining bright, especially the fact she had Thomas. She knew how to live each day to it's fullest and not take anything for granted. My heart goes out to the family, Jenny Armstrong##imported-begin##Jenny Armstrong##imported-end##

“ I met Pam years ago when she was in pulmonary rehab and I was in cardiac rehab. I received my heart transplant and then she received her lung. We enjoyed being in the LifeLink Transplant Awareness Group and attended many events together. I will miss her positive attitude and sweet smile, her sharing about her great son and her love of our Lord. She indeed was a special lady. I know you have many good memories, too. Your family will be in my prayers.
