“ Pam was a coworker with my mother Loretta Mays for many years at the City of North Augusta. Every time I had an encounter with her she always had a smile on her face. I can literally hear her voice and her laugh right now. She would asked me personal questions about my life and gave me the advice I needed. From the time I was a small girl, all the way up into my adulthood, She always welcomed me into her office. I could not go into my mom’s office without stopping by to have small talk, and sometimes large talk with her. She told me how beautiful I was inside and out. It’s hard to believe that this earth isn’t graced with her essence anymore. God wanted her more and He knows best. I’m grateful for every time I stop by her office and shared a moment with her. I pray that God gives her family peace and understanding, in Jesus name amen.

“ I have many fond memories of growing up with Pam in North Augusta. Most of those memories from our years at NAHS. Pam always had a smile on her face and only kind words to say about her friends. She liked to have fun and I remember her laugh vividly. I remember when she met & Married Mark, the love of her life. I never had the pleasure of meeting her children but I would say to them now that your mother was a JEWEL of a person. A virtuous woman who loved her Savior and was a faithful servant. I loved her as a friend and knew she was the definition of a true friend. One who could be trusted.

I am so sorry you lost her while she was so young but be sure she is completely well now in the presence of Jesus. Cling to your memories & share them & be assured that you will see her again. God bless you & realize it will take time to mourn. May God grant you peace and much comfort during this time. You all will be in my prayers .

“ Oh how I love Pam Utley!! The laughs we shared while our kids were growing up. The mischief of Emily and Rachel and the many times they talked us into sleepovers so Rachel could stay in the pool. She was always there for me if I needed to carpool, or drop off Em....
Oh so many memories going through my mind.
I am soo very sorry for all of you. Sending prayers and hugs . Pam , you will be missed girl. Don't know anyone sweeter than you.
