“Michelle and family, Im so sorry for your loss and will be keeping you all in my prayers. You are surely blessed to have had such a wonderful woman in your lives to be able to celebrate her and all the wonderful years you had with her. I have many good memories of my own. She loved our Waffle House trips on Wednesday evenings before church. One of the things that I will always remember the most was the LOVE that she always showed . She didnt just show it to certain people, she showed love to all that she came in contact with. Shes now with the rest of our Angels made whole and still being changed !! Love to you all !!! Hugs and Kisses !!
