“ Happy birthday Mom! It’s hard to believe that it has been five years ago now that you left us. I think we would all be getting ready to go to dinner to celebrate your special day. I also think we would have found peace and love and spent more time together if you were here. I sometimes wonder if in Heaven you miss the ones you’ve left behind like we miss those that have gone to heaven ahead of us. Maybe I wish I knew if you were missing us so it would make our reunion even more special. I know you probably don’t hurt or ache for us as we do you because I know in Heaven there is complete healing and love that endures. It still just hurts some days more than others. I hope you’re celebrating with Bobby and all your loved ones there. I love you as always and I’ll be seeing you. ❤️

“ Happy Birthday Mom! Fourth Birthday in Heaven. Hard to believe. I love you, miss you, and I’ll be seeing you. 💔❤️

“ Missing you and wish you were here Mom. This holiday season always has you all over it as I know from Halloween to Christmas is your favorite time of year! You loved to decorate. Maybe that was the gift of the season from you to me. Whenever I thought you didn’t need any more decorations and you bought more at the dollar store or Fred’s it always turned out exactly you. And I wouldn’t have my memories of this time any other way when I think of you. I love you and miss you. It’s beginning to really sink in you’re not here, not coming back. But one day we’ll be together again and when that happens I’ll thank you for every good, tacky, and funny decoration memory you ever gave me. Love you ❤️

“ *Happy Birthday Mom! Miss you! Time heals things in most circumstances but not in the loss of a parent. Just trying to live with it is all I can do. It's days like today the reality is all too real. Enjoy your Heavenly celebration with many loved ones. I love you! ❤️*

“ *Happy Heavenly Birthday Mom! It still seems like I could pick up the phone and hear your voice.. like you're really not gone. But you are and I'm hoping you're having such a wonderful time with Bobby, and everyone you love! Until the day I see you again I carry you in my heart. I'm sorry. We should have spent more time together instead of apart. I love you!*

“ When I was young, I always wanted to hang out with Aunt Pat. I thot she was so cool!! I loved to hear her laugh. When Tina laughs, she sounds just like her Mom. I'm sure she's hangin out with little Bobby & my Dad.

“ I know how close and loving the Flippo family is and my heart hurts for their loss. I hope they find comfort in their closeness during this very difficult time. Pat Flippo raised wonderful children and I know she left this earthly place with peace in her heart. God bless you all.

Pat and I went to nursing school at Augusta Tech and graduated together as LPN's. She was my best buddy at that time, and encouraged me to keep going ! We shared many laughs and many good thoughts about our children, and hers are wonderful. I will miss her smile and graciousness and her in her white uniform of service to patients. GOD bless the family and friends of Pat Flippo ! <3
