“ *Katrea, Brian, Erica, Jackson and Noah....Pat and Bobby were the best neighbors for 22 years. Bobby sharpened all my yard tools better than anyone ever has! Pat was a loyal friend...she had my back! We laughed and cried together over the years. My condolences and prayers.*

“ I worked with Pat at Aidmore Animal Clinic for many years. She made my work easier because of how she ran the clinic. I enjoyed lunches with her and conversation. She really became a friend. She really had to be a diplomat, managing employees, clients and vendors. She talked with pride about Brian and Katreia. I could also see how much she loved her grandsons. Her dachshunds were also her family. It's hard for me to believe she's gone. But I know she is with her Savior. And I know there are many happy reunions in heaven. Bobby was waiting for her. And Pam welcomed her. My condolences to her family.
John and I will be praying for you.

“ Katreia and Brian,

I am so sorry for the loss of your sweet Mom. I was one of the neighborhood children who was always welcomed and very much considered her a second Mom. Great memories of spending time at the Howard's house. I can't make a box pizza, drink grape Kool-Aid, or eat a Milky Way without thinking of her and the wonderful memories. Praying y'all through this difficult time!

“ I can easily and gratefully say Pat was the best neighbor and confident I have known. As a young mother she was always there to enlighten me of what stage was coming next with my children. She was a wonderful influence and I enjoyed watching her two grow through all their passions. Pat and Bobby were always doing special things for them to enjoy and be fulfilled in what ever they were doing. Skate board ramps and tack chest for horse equipment. She was truly a kind and sweet soul that loved her kids and was passionate about those dachshunds!
