“ *Pati was more than a friend, she was my sister in Christ! I worked with Pati for about 7 or 8 years, and she was as real as it gets! Pati was an open book. She told her story to anyone who would listen. It gave her a chance to witness for the Lord! Her faith was so real & so strong even through all her struggles. Our last conversation was just a few weeks before her passing. She called me from her hospital room and we talked for well over an hour. I will forever cherish that time on the phone with her. the last words we spoke were "I LOVE YOU".... Pati I will miss you my sweet friend & I love you so much! RIP Until we meet again. Tell Kim hi for me!*

“ I was blessed to know Pati the short time that I did. She had so much positive energy. What is good news is that I have no doubt she now running around heaven asking God to give her more to do. She will be missed in the "Walk" community. I pray that God comforts her family at this time.

“ We met over 10 years ago in a place where people go to rebuild, and from that moment on, she became one of the most meaningful friendships in my life. We met when I was just starting to figure out who I was, and she never asked me to be anything but myself.

She was steady, loyal, and real. The kind of friend who didn't just show up—she stayed. In our last conversation, she told me how proud she was of me, how much she loved me, and how she couldn't wait for us to get together. That message is something I'll hold close forever. It was pure Pati—honest, full of love, and straight from the heart.

I'm so grateful our paths crossed. She was a great friend, and I'll carry her with me for the rest of my life.

Rest easy, Pati. You were truly loved.
