“ *First time met Coach Pat was when Danielle player for her first. This fire ball comes running up to the fence at Belvedere saying what are you doing? I was outside fence I apologized for being in way she said No I need you in here Come On!! That was my first experience following by many more of trying to stop that same "fireball" from getting thrown out during the game. I often said Coach Pat had forgotten more about about Softball than MOST people knew. She was an amazing Mom, Grandmother and a awesome friend I will miss her forever.*
