“ I wish I had the strength to speak at my Aunt Pat's funeral to let everyone know just how special a person she was and how she touched my life over the past 35 years. I can not remember a time I did not have her to talk, laugh, cry and love. She was the most loving, supportive and beautiful person I have known. To know my Aunt was to know that she adored my Uncle, her children, grandchild and the rest of her family including me. When God made her I know he made her for my Uncle because they completed each other. They were an example how two people were truly connected through God. Family was everything to my Aunt and there was never a conversation or a visit I had with her that she did not tell me how much she loved or how proud she was of me. Although the space in my heart could never be filled by anyone else, she gave me a lifetime of memories and love that in time I hope fills the void I now feel. When I was 11 and she had surgery, I made a deal with God that if he let you be alright I would be the best son, brother and nephew I could be. I owe God a world of thanks for hearing that prayer and giving you to me for the next 35 years when he knew I needed you most. Aunt Pat-you are the reason I am the man I am today and for that I will love you forever. I promise to pass that love back to the Uncle Jerry, the kids and grandkids. Thanks for being my Hero.
