“ I cannot begin to convey what Patsy has meant to me for so many years. We met in Middle School, 7th grade. She was a sister by choice from another Mother and her Mother was my other Mother by choice. The McCollum family was and is very special to me and many others. As adults do, we did not stay in touch like I would have loved to, but I knew she was there, and she knew I was there. I am so glad I did get to see her a little bit in the past few years. I was proud to call her my friend and my sons God mother. I will miss knowing my friend is there and I will look forward to seeing her again. I will always remember her and keep Kevin, Eva, Ray, Billie Gay, David, and James and all the family in my prayers. I love you all.

“ Kevin,

We are so sorry to learn of Patsy's passing. Loosing your soulmate is one of life's tragedies, however your faith will keep you strong knowing that you will only be apart for awhile. We have so many fond memories of our trips together, the laughs, the good food and wonderful friends you both are to us.
