The Posey's and Father Hartley did such a wonderful service. I truly don't think anyone could have treated any one of us any better. From my whole heart "Thank You"

Benjamin, I am so sorry for your loss. I wanted to be there but saying goodbye to a wonderful friend is so hard! Your Dad would watch over me in a room full of people. He made sure I had the best leathers to keep me warm. I still have them and will never sale them. I laugh at how all of us, after a night of riding, attempted to fit me and cut my leathers. He always gave me guidance, always!! I now miss him and Tammy my heart is broken but that spot in my heart will always be for them both! They were my brother and sister. Not of blood but of love!! Stand strong and remember his words! If you need a shoulder or anything please contact me or send a message via Denise. I will do my best to make sure to honor him in returning the kindness he gave me! I can only imagine the joy of PR's and Tammy's reunion! I wish I could have sat in on that!!! Much love and respect to you all! I want to thank Denise in her kindness during his battles!! Rest easy my brother. Until we meet again!!
