“ I never met Smitty, but I knew one of his daughters. They say you can tell a lot about a person by their parents; so true. Considering she is a wonderful person, Smitty had to be a great Dad. It's a horrible thing to lose a loved one, even more so, a parent. Having lost both of my parents, I know it can be tough for days and even years to come. My thoughts and prayers are with you.

My sincere condolences to the family.
