“ What a great guy. I knew Buck from our working days at the phone factory. He always looked out for his coworkers and I always enjoyed the conversations we had. He was blessed with a wonderful sense of humor! I am sure he will be missed by many. It saddens me to hear of his passing. God bless and keep the family

“ I was saddened to read about the loss of your loved one. It reminded me of losing my Grandmother a few years ago. There are no words to describe such pain. I know of a brochure that gave me much comfort when I was in pain and I can get you a copy if you wish. It's called "When Someone You Love Dies". Then, maybe you can find some comfort and some answers from the Bible, after all, 2 Cor. 1:3 says in part: "Blessed be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort". If you would like a copy of the brochure, you can email me at tmmillard@yahoo.com and I will mail it to you free of charge.

“ Buck and I got off to a rough start as I was a new manager with Southern Bell and he was the Union Rep. After our first meeting in a grievance hearing in which we went head to head, we went and got a cup of coffee and became good friends with mutual respect for each other. He was a good telephone man and a good man after work as well. I will remember him fondly and have his family in my prayers.

Sue and Family! I think back to the days when Buck would come into the cafe` that mom and daddy owned in Beech Island to get a cup of coffee on a daily basis. He was the highlight of the day when he would come in and was always protective over me as a young teenager. I will always treasure those moments! My thoughts and prayers go out to you and your family during this time of loss. God Bless you Sue! With much sympathy, Denise Skinner Watson
