“ The Key family has always been some of my favorite people. I’ve been around a few time to hear Ms Pets say “shut up Josh” cause as he said he loves to pick. She took it well and she always showed how much she loved her kids, their spouses, her grands, great grands and the great great grands. I’m thankful for the times I was around Mr. Wade and Ms Pets. She will be greatly missed. Thoughts are prayers are with you all.
Love you all , Karen
