

## Peggy Abercrombie

December 5, 1937 - December 20, 2015

North Augusta, SC—Peggy Ann Abercrombie, 78, began her eternal life on Sunday, December 20, 2015, from her home in North Augusta, South Carolina.

She leaves behind her husband of 34 wonderful years, Douglas T. Abercrombie; her daughter, Juli Ann Bradley; her son, Luke Merreck Williamson; six grandchildren and six greatgrandchildren; and many close friends.

Born and raised in Austin, Minnesota she migrated across the globe, never meeting a stranger, until finding her soul mate and marrying in 1981 finally planting roots in Belvedere, South Carolina.

Her best moments in life were helping to form Cub Scout Pack 78 and taking on the responsibility of Cub Master for several years. She enjoyed, as well, participating at Belvedere Elementary as a substitute teacher earning the moniker Ms. Piggy.

She was always full of life and ready at the drop of a hat to embarrass her two children in the name of good entertainment.

Her only adamant request is that no one was to fuss over her passing and that family and friends were to celebrate the charismatic life she believed in

having.

An “after-life” party will be held in her memory on Wednesday, December 23, 2015 between the hours of 4-7 PM at the residence, 163 Blair Drive, North Augusta, SC 29860.

Posey Funeral Directors of North Augusta in charge of arrangements (803.278.1181). Visit the registry at [www.poseycares.com](http://www.poseycares.com)

“ *Grandma you will be missed everyday. There are so many memories I could share but one or two that sticks out the most is when we all lived in Belvedere and someone bought the poppers you put in the end of your cigarettes so that when they are lit they pop. Well we helped put a few or twenty in yours and couldn't fall asleep anticipating hearing them pop. When they finally did all we could hear was you laughing. Then another time Ryan and I were hitting each other with socks filled with socks and you took one from us because one of us was being too hard on the other and you started hitting us with them. Wouldn't surprise me if you didn't say Grandma don't play that. I love you and will cherish all the stories and words or wisdom you've shared with me.*

“ Dear God, thank you for answering my prayers by giving me Peggy. When I first laid eyes on her I saw a glow about her and knew right away she was the angel you had selected for me. Peggy gave me the best years of my life, by sharing her two children Juli and Luke with me and through the years we were to share our first grand children, with our daughter Juli and her husband Tony, Tony is like another son. The first born was Josh, followed by twins, Ryan and Nikki . The grand children were followed by our first great grand children Grace, Corbin, Kylee, Addyson, Quinn , and soon to be Reese. As for my son Luke and his wife Lynda they blessed us with Jinna, Chasten and Gavin. God, Peggy was a true angel, she never complained whether it be her health or trials and tribulations we were going through. Peggy enjoyed a simple life and did not care for expensive gifts, the simpler the better. I will miss her Lucille Ball personality, always be a life of a party by acting silly, just to have everyone laugh and enjoy them selves. I recall the time I came home from work and opened the front door only to be greeted by Peggy dressed up as a cleaning lady, with hair curlers apron and long colorful socks with a feather duster under her arm and a broom in hand, welcoming me home. Another time was when we attended an Air Force/Civil Air Patrol activity in Washington D.C. for Air force cadets from countries through out the world the event started off with speakers welcoming the cadets, after several speakers Peggy came running down the isle with a suit case, half closed and waving tickets and saying I have to catch another plane, and several funny remarks and jesters, which drew a lot of laughter and applause, the speaker turned to me and said “Colonel is that your wife”? To which I replied uh, yes Sir. Peggy always made our home joyful and happy. Peggy never met a stranger, she would always want to stop and talk to people particularly children and older people. Peggy's personality was like that of Lucille Ball, or Carol Burnett. In our 34 years of Marriage we never had an argument we always were able to reason with each other and respect each others point of view. The wedding ring I wear will always remain, Peggy will always be part of my life. I Loved her in life and I will forever love her in my memory. Thank you God for giving me my greatest gift an angle

*named Peggy.*

*Sincerely,  
Doug*

“ *You always had a way to make everyone laugh. I loved the way you could light up a room with your energy. No one could ever bring so much joy to so many people as easily as you did. I can't wait to hug you and laugh with you again.*
