“ Cheryl, Marion and Ida Sue and all of the other family members, I am truly sorry in your loss of Ms Peggy. She was a lovable lady and she was so funny with the things she said in her expressions at times and we all loved her. She was an asset to the town of Jackson for many many years. I know that she is in a reunion with all of her loved ones in heaven and I'm sure she's got a joke for them. Always hold those memories in your heart that you have shared with her and no doubt how much love she had for her family. May God give you many days of comfort of strength and give you peace that you need.
