“ *Every year, as a child, my family and I would make the long 16 hour trek from Texas to South Carolina to spend time with my beloved grandparents, Paul and Margaret Harless. I always looked forward to running over to the Dehart's house next door. I loved to sit with Peggy and have a chat. I felt so comfortable in her presence. She was so kind and thoughtful. I'm so thankful for all those times together. Everyone needs a Peggy in their life!*
