“ Renee was a sincere and loving person. Even during her physical struggles, she was more concerned about doing for others than worrying about herself. She was a wonderful wife Mike and a great mother to Ben. She has finished her race and I am sure god said well done my good and faithful servant. May god be with all the family and friends during this time.

“ It's still so hard to believe that you're gone! To be absent from the body is to be present with the Lord and there is no doubt in our minds that you are there now in heaven with Mike playing the piano for him to sing in that heavenly choir! You are the absolute best of who I am. I am so lucky to have had you as my mom! The kindest and most compassionate person I've ever known. I will always cherish our memories whether it be going to the beach or opening Christmas presents on Christmas Eve and so so many more! Your life has inspired so many in such a positive way that you will truly be missed by all. I'm so glad that you and Kristen got to know each other this past year. I know you've thoroughly enjoyed having a daughter in law! It's been the best year of my life! I just wish we had more time to spend together!
