“ Tommy, I'm so sorry to learn of your mother's passing. I remember her and you from school, church, and social dancing. She was a lovely woman whom I remember very fondly from school, church, and social dancing. Please accept my sincere condolences.

“ I have so many wonderful memories of Mrs. Tedards. I had her for both homeroom and English my senior year. So many of my best memories from that year involve her. She truly cared about her students and she had the most wonderful sense of humor. I did see her off and on when she would come to get plants at the nursery. We always enjoyed talking about English class and some of the crazy things she let us get away with, as well as the things she didn't. She knew what really mattered. She holds a special place in my heart and memories and I am grateful to have known her.

“ Wright,
I did not have the privilege of meeting your mother, but having worked with you for 20 years showed me that she and your dad did a great job in raising you.
I have to believe she passed on her best attributes to you and your family.

“ Carol, Wright, Tommy and families, I am so saddened to hear of sweet Peg's passing. She was my next door neighbor on Stanton Dr. for many years. I could not have had a better neighbor/friend. She has been weighing on my heart and mind recently, and I failed to find the time to see her or check on her - a regret I will live with. Please know that my thoughts and prayers are with all of you at this normally joyful time. Believers will know that her sweet spirit can now be with her "handsome pilot, Roy." Love to all.
