“ I was surfing the net and saw this a while ago it may bring a little comfort in trying times  
Death is nothing at all  
I have only slipped away into the next room  
I am I, and you are you.  
Whatever we were to each other  
That we still are.

Call me by my old familiar name  
Speak to me in the easy way which you always used  
Wear no forced air of solemnity or sorrow.  
Laugh as we always laughed at the little jokes  
We enjoyed together.

Play, smile, think of me, pray for me,  
Let my name be ever the household word that  
It always was.  
Let it be spoken without effort,  
Without the trace of a shadow on it.  
Life means all that it ever meant  
It is the same as it ever was  
There is absolutely unbroken continuity.  
Why should I be out of mind because I am  
Out of sight? I am but waiting for you  
For an interval  
Somewhere very near  
Just around the corner .

All is well.##imported-begin##Jerry And Kay Davis##imported-end##
