“ *Worked with Phillip at SRS in the 700 Area Powerhouse maintenance crew. He was a welder at the time and a very good one too. He was easy to get along with and never heard him say anything derogatory about anybody. At the time he was big into weight lifting. Sometimes he would show off a bit and make the rest of us look like powderpuffs. It was all in fun though. He was well liked by everybody. I know that he will be missed by all.*
