“ *I served with Phillip in the marine corps. We were in the same platoon. I had no idea that he passed away. Could someone please reach out to me or message me? I feel terrible that I know nothing about this.*

“ I taught Phillip at Aiken Middle School years ago. He was one of my very first students and I remember him fondly. I am heartbroken to hear of his passing. He was a wonderful young man who was a delight to engage with. He will be missed.

“ Rest easy cuz you will forever be missed, I will always cherish the wrestling in the living room and playing basketball with you when I was younger. All the times we would go to the mall and go in the old cd store and you got me a Fallout boys bracelet and I didn't even know who that was at the time but you got it for me so It meant a lot. I still remember till this day When I was little playing with the basketball at one of our family gatherings and one of our other cousins took the ball from me and wouldn't give it back, y'all got into it about it and you beat his ass. You got sent you home but you dang sure got the ball back for me. I love you and Rest In Peace.

“ *Phillip was one of a kind! I will always remember his sweet nature. He was very polite and spoke so highly of his mom and sister. ❤️ He talked about them all the time. When he would come to the house with my son, he always offered to help out. He kept everyone around him laughing. He was such an amazing person. I thought the world of him. He will be missed by so many people!*
