“ *Thinking and praying for you all at this difficult time! Philly D was such a wonderful lady! She always made me and everyone else around her laugh. I'll always remember the many nights we played Phase 10 and learning all of her tricks. She will always be missed and loved by many! Love y'all.*

“ *Our deepest sympathies and prayers to the Doyle children and their families. Philly D was quite the character. She was always fun to sit and talk to. How wonderful that she got to spend so many years with her family after moving to SC. She will be missed by so many who loved her. Now in the arms of Christ she has received her greatest reward.*

“ Marsha, Jackie and family....I am so sorry about your mom. We at the Courtyards at the Summit loved her. She was our night watch person and we loved to sit under the tree with her during the day and visit. She was full of life and you knew where you stood with her. She loved Ruby Tuesday and her pocketbooks. I have spent many an hour on the computer with her ordering a pocketbook and traveled to Belk's with her to get one. She loved her neighbors, especially, Shelba, who would argue with her like a sister. There are so many wonderful memories of Phyllis and the lives she touched. I know that she is smiling down on us and thinking 'let's see where my pocketbooks get a home'.....We will miss her and her weekly calls to just talk. Praying that GOD gives the peace you need and comforts you and strengthens you during the weeks ahead. I will miss my friend.
